## Adirondack Taekwondo Camp Policies and Procedures

### Enrollment for Camps at Adirondack Taekwondo

All registration forms and health forms need to be completed and signed. Your children will not be able to attend camp unless the following forms are completed and on file for this year's camps. These forms are required for your children's safety.

Forms include:

Registration form, Authorization form – personal information and pick-up authorizations.

Health form / Medical authorization form – Health related information, including Adirondack Taekwondo authorization for Adirondack Taekwondo to act on your behalf in case of an emergency if you cannot be reached.

Sickness policy form – Adirondack Taekwondo sickness policy

Snack will not be provided for the children therefore all students are required to bring their lunch and snacks daily. During field trips students are responsible for their own items such as backpacks, handheld games, phones, tablets, pocket money, etc. Transportation is provided by school bus or chartered buses pending on the duration of the trip.

Please note that all camps must have a minimum of twenty-five (25) participants to host the camp. In the rare event that we are not able to host the camp due to lack of attendance we will notify you and your family two weeks prior to the camp.
