HEALTH AND SAFETY GUIDE

POLICIES AND PROCEDURES FOR
SUMMER 2020 AND COVID-19

At Adirondack Taekwondo the health and well-being of our students, families and staff has always been our highest priority. This past March when we closed our schools doors, we did so with YOU in mind and now on July 6 as we reopen our doors, YOU are still our utmost concern.

Upon reopening we are taking extra care to provide and create the safest environment possible to help prevent the spread of COVID-19. Our family and team will continue to closely monitor and adhere to current and updated guidelines put forth by Southern Saratoga County, New York State Department of Health and the CDC. As new information is made available for our industry, modifications and amendments to any our policies and procedures may occur.

The next normal is here and now and the changes we must all make can simply be seen as
“A temporary inconvenience for a permanent goal”
